Letter of Support – City of Avondale, Agua Fria River Connector Trail

On behalf of the Friends of the West Valley Recreation Corridor (WVRC), we support the City of Avondale and its request for funding for the Agua Fria Connector Trail Project. The funds would help facilitate a connector trail project from Coldwater Park to Friendship Park in Avondale.

This trail will be a wonderful compliment to the Friends of the WVRC's vision of turning the Agua Fria River into a multi-modal recreational corridor, as well as be a vital component to Avondale's trail system.

The Friends of the WVRC is a non-profit organization comprised of nearly 1,000 stakeholders, including volunteers, public and private sector representatives and community leaders, who are dedicated to creating an enhanced corridor along the Agua Fria and New Rivers within Maricopa County. The group was initiated in 2001 through a partnership of Westmarc and Valley Forward Association.

We are pleased to support Avondale in this endeavor and its desire to seek funding from Maricopa Association of Governments to help with the creation of the connector trail from Coldwater Park to Friendship Park.

Roger Baele
Board of Directors Executive Committee, Past President
